

## A CALL FOR INVESTORS AND BDS PROVIDERS

### Background

Promoting Agribusiness Investment, Networking and Trade (PAINT) is an initiative aimed at accelerating growth of the agribusiness sector. This initiative is being championed by a consortium of development and business catalyst organizations including; SNV Netherlands Development Organization, AgriProFocus, BSpace and Netherlands Uganda Trade & Investment Platform (NUTIP). The initiative is aimed at catalyzing capacity development of agribusinesses to be commercially viable and visible through tailored trainings and coaching, access to markets, financing/investment, knowledge sharing and networking. PAINT involves a series of activities which shall climax with a physical matchmaking event themed "Trade and Investment Matchmaking Event" which will facilitate linkages between investors, agribusinesses and partners. The event will take place **on 5<sup>th</sup> & 6<sup>th</sup> October at Sheraton Hotel in Kampala.**

### Objective

The PAINT program aims at bringing together local, regional and international businesses in the agribusiness sector to build long term sustainable business relationships through the transfer of technology, knowledge as well as accessing business opportunities.

The overall objective is to support the growth of the agribusiness sector through understanding the underlying business needs, capacity gaps and readiness to enter longer term investment and financing partnerships. The current sectors of focus are horticulture, coffee, oilseed, dairy & livestock.

### Specific objective

1. To connect agribusiness to potential investment/financing and BDS opportunities
2. To link agribusiness to potential markets for their products and services
3. To link investors/Service providers to potential profitable business opportunities
4. To facilitate transfer of knowledge and technology among Ugandan agri-businesses
